<sup>5</sup> Generally Estonia does not have health as a specific priority. However, in Afghanistan the main sector Estonia has been contributing is health with a focus on children and women. In 2006 we had one project in Afghanistan in health sector „Donation of Equipment to the Helmand Provincial Hospital (Bost Hospital) Children's Department“, State funding allocated for the implementation of project activities was 88 248 USD. (In 2008 Estonia sent a medical expert to Afghanistan Helmand province to coordinate the reconstruction of the health system of province).

<sup>6</sup> Voluntary contribution to the UNCHR towards health care for women and children in South Sudan: 51130 €
